## Storyline

As Dominic Toretto is being transported by bus to Lompoc Prison, his sister Mia Toretto and friend Brian O'Conner lead an assault on the bus and free Dom. While the authorities search for them, the trio escapes to Rio de Janeiro. Awaiting Dom's arrival, Mia and Brian join their friend Vince and other participants on a job to steal three cars from a train. Brian and Mia learn that agents from the DEA are on the train and that the cars are seized property. When Dom arrives with his accomplices, he realizes that their leader Zizi is only interested in stealing the Ford GT40. Dom has Mia steal the car herself before he and Brian fight Zizi and his henchmen, during which Zizi kills the DEA Agents. Brian and Dom are captured and brought to drug lord Hernan Reyes, the owner of the cars and Zizi's boss. Reyes orders the pair interrogated to discover the car's location, but they escape to their safehouse.

Dom, Brian, and Mia are framed as the murderers of the DEA Agents, and the U.S. government sends a team of Diplomatic Security Service Agents, led by DSS Agent Luke Hobbs and assisted by local officer Elena Neves, to Rio to arrest them. While Brian, Dom, and Mia examine the car to discover its importance, Vince arrives and is caught removing a computer chip from it. He admits he was planning to sell the chip to Reyes, and Dom angrily forces him to leave. Brian discovers the chip contains financial details of Reyes' criminal empire, including the locations of US\$100 million in cash. Hobbs and his team arrive at Dom's safehouse, but find it under assault by Reyes' men searching for the chip. Brian, Dom and Mia escape after a chase across the favelas. Dom suggests they split up and leave Rio, but Mia announces she is pregnant with Brian's child. Dom agrees to stick together, suggesting they steal Reyes' money to start a new life. They organize a team to perform the heist: Han, Roman, Tej, Gisele, Leo, and Santos.

To centralize the cash, Dom's team attacks one of the locations and burns the money in front of Reyes' staff. Afraid of further attacks, Reyes consolidates the remaining money in an evidence vault inside a police station. Dom's team does surveillance, buys equipment, and acquires Reyes' handprint. After their fastest cars prove to be too slow for security cameras, they steal four 2010 Dodge Charger police cars to blend in. Vince rejoins Dom's team after saving Mia from Reyes' men. Hobb's team eventually finds and arrests Dom, Mia, Brian, and Vince. While transporting them for extradition to the United States in a Gurkha LAPV, the convoy is attacked by Reyes' men. Dom, Brian, Mia, and Vince help Hobbs and Elena escape the ambush, but the rest of Hobbs' men and Vince are killed. Enraged at their team's deaths, Hobbs and Elena agree to help with the heist. The gang breaks into the police station with the LAPV and uses two of the Chargers to tear the vault holding Reyes' money from the building, dragging it through the city.

Advancing on the bridge after an extensive police chase, Dom has Brian continue without him while he smashes the police and Reyes' vehicles with the vault. Brian returns and kills Zizi. Hobbs arrives and executes the injured Reyes in retribution for his team. Hobbs gives Dom and Brian a 24-hour head start to escape on the condition they leave the vault as it is. When Dom and Brian depart, however, Hobbs finds the vault empty, as Dom's crew switched it via a trash truck before they reached the bridge. After splitting the cash and giving Vince's family his cut, Dom's team go their separate ways. On a tropical beach, Brian challenges Dom to a final, no-stakes race to prove who is the better driver. In Washington, D.C., Hobbs is given a file by Monica Fuentes concerning the hijack of a military convoy in Berlin, where he discovers a recent photo of Dom's former girlfriend Letty, who had been presumed dead.

## Cast

Vin Diesel as Dominic Toretto:

A professional criminal, street racer, and fugitive. Diesel was reportedly paid \$15 million to star in and produce the film.

Paul Walker as Brian O'Conner:

A former LAPD police officer and FBI agent turned criminal. He is in a relationship with Mia Toretto. Walker did many of his own stunts for the film, training with parkour professional Paul Darnell to improve his movement.

Jordana Brewster as Mia Toretto:

Dominic's sister and Brian's girlfriend; she is revealed to be pregnant.

Tyrese Gibson as Roman Pearce:

Brian's childhood friend. Gibson's involvement was reported on June 30, 2010, reprising his role from *2 Fast 2 Furious* (2003). Gibson was committed to *Transformers: Dark of the Moon* at the time he signed on to *Fast Five*, so he flew between Puerto Rico and Atlanta to accommodate both films.

Chris "Ludacris" Bridges as Tej Parker:

Brian's and Roman's friend from Miami in *2 Fast 2 Furious*. Ludacris announced his involvement in the film on July 12, 2010, when he stated he had arrived in Puerto Rico to begin filming.

Matt Schulze as Vince:

Dominic's childhood friend. Schulze had appeared in the original film, *The Fast and the Furious* (2001), and it was reported on July 16, 2010, that he would be returning. He has a grudge against Brian for the events that happened in the first film, but they become friends after he saves Mia from Reyes' men.

Sung Kang as Han Lue:

A street racer who was Dominic's business partner in the Dominican Republic during the events of *Los Bandoleros* and *Fast & Furious* (both 2009).

Gal Gadot as Gisele Yashar:

A former Mossad agent, returning from *Fast & Furious*. Although Gadot had prior experience handling motorcycles, she was required to learn how to ride the larger, more powerful Ducati Streetfighter for the film.

Joaquim de Almeida as Hernan Reyes:

A ruthless drug lord posing as a legitimate businessman. It was reported on July 16, 2010, that Almeida would play Reyes. Having previously played several antagonists, he hesitated to take this role, but accepted it after speaking with Lin and hearing his take on the character.

Dwayne Johnson as Luke Hobbs:

A DSS agent. According to producer Vin Diesel, the role of Hobbs was originally developed with Tommy Lee Jones in mind. However, when reading feedback on his Facebook page, Diesel noted a fan stating a desire to see Diesel and Johnson in a film together. Diesel and Lin then redesigned the role for Johnson. Johnson wanted to work with Universal Studios, citing their support for him during his transition from wrestling to acting. He described the role as a former bounty hunter turned US Marshal and as "the government's version of the best bounty hunter on the planet". He undertook an extensive daily workout regime to enlarge his physique, wanting his character to appear as a "hunter" and to be formidable enough to present a credible threat to the protagonists.

Elsa Pataky as Elena Neves:

A Rio police officer who works with Hobbs' team and becomes Dominic's love interest. It was reported on July 16, 2010, that Pataky would take this role. She underwent several days of tactical training with a police/military technical advisor and was required to learn how to handle her gun in a variety of situations to portray Elena believably.

The central cast is rounded out by Puerto Rican singers Tego Calderón and Don Omar as Leo and Santos respectively, members of the heist team, reprising their roles from *Los Bandoleros* and *Fast & Furious*. Michael Irby plays Reyes' right-hand man Zizi. Alimi Ballard, Fernando Chien, Yorgo Constantine, and Geoff Meedy portray Hobbs' team members Fusco, Wilkes, Chato, and Macroy. Luis Da Silva portrays Diogo, an elite Brazilian racer who challenges Dom and Brian to a winner-takes-all race. Michelle Rodriguez appears in photographs as Letty Ortiz, Dominic's girlfriend who is presumed dead following the events of *Fast & Furious*. Eva Mendes appears in an uncredited cameo as Agent Monica Fuentes, reprising her role from *2 Fast 2 Furious*. The central cast is rounded out by Ted Levine and Thom Barry as Tanner and Bilkins, respectively, members of the team that organized the investigation to place Brian undercover, and Matt Schulze as Vince, a member of Dom's crew and his childhood friend. Noel Gugliemi appears as Hector, the organizer of the drag race. Musician and rapper Ja Rule and car tuner R.J. de Vera also act as Edwin and Danny, fellow drivers at the drag race who race against Dom and Brian. Vyto Ruginis plays Harry, an informant and owner of *The Racer's Edge*. Reggie Lee portrays Lance Nguyen, Tran's cousin, and right-hand man. Neal H. Moritz and Rob Cohen both appear in cameos; Moritz plays an unnamed driver of a black Ferrari F355 convertible who is given a challenge by Brian, while Cohen plays a Pizza Hut delivery man.
