Storyline

FBI Agents Mulder and Scully continue their investigations into the paranormal in this season three feature length video. They begin to investigate an alien autopsy video, that looks legitimate, only to find that the hacker that stole the video is now dead. Mulder continues his search and witnesses an alien lifeform being transported on to a train. Meanwhile, Dana Scully comes across a group of women, who may hold vital answers on what happened to Scully during her abduction. At this point, Mulder has jumped aboard the train, and becomes locked inside a carriage with a murderous government employee, and the alien life form. It does however get worse for Mulder, there's a bomb on the carriage, and the clock is ticking. Can Scully save him in time? This feature length episode will draw Mulder and Scully deeper into the web of lies and intrigue, will the truth finally be known?

The X Files File 5 82517 is the fifth video in the file series (but was the fourth one to be released because File 4 Colony was delayed until 1997) for the American Sci Fi TV programme The X Files in which certain 2- or 3-part episodes were edited into a movie type format. It was originally released in 1996. This particular video edited together the episodes "Nisei" and "731" (from season 3) the title refers to the number of a train car in which Mulder is trapped during much of the latter episode

Blurb

While investigating a videotape of an alleged alien autopsy, FBI agent Fox Mulder (David Duchovny) discovers a heavily guarded military warehouse containing a mysterious object that appears to be from beyond this world. Has he finally found tangible proof of the government's contact with extra-terrestrials?

His partner, Dana Scully (Gillian Anderson), believes it's all just a smoke screen to cover-up an even more chilling secret - a multinational conspiracy to conduct dangerous genetic experiments on innocent civilians. Mulder boards the train on which the alien autopsy was performed in a desperate attempt to uncover the truth. But this time the truth will be something he never could have expected.

As each secret is revealed, the mystery only deepens...
