Storyline – Violet & Daisy

Violet and Daisy are a pair of gum-chewing young assassins who casually snuff out crime figures in New York City, distracted only by the fact that a concert by their favourite pop idol Barbie Sunday has suddenly been cancelled.

Determined to raise cash to buy a pair of the newest Barbie Sunday dresses, the duo takes on a new hit job offered to them by their handler Russ. The target is a mysterious unnamed loner who stole from rival boss, Donnie. A sudden and unexpected empathy after finding out about their quite unusual mark's pancreatic cancer and the estrangement from his daughter leads the two girls into an unexpected journey of self-examination, catapulting the junior enforcers into a world beyond their deadly routine, all while encountering dangerous foes such as rival boss Donnie's crew of hitmen and rapists or the legendary assassin simply known as Number 1, who's said to have once killed three ninjas with a fingernail file. Wiki

The island of Iwo Jima stands between the American military force and the home islands of Japan. Therefore, the Imperial Japanese Army is desperate to prevent it from falling into American hands and providing a launching point for an invasion of Japan. General Tadamichi Kuribayashi (Ken Watanabe) is given command of the forces on the island and sets out to prepare for the imminent attack. General Kuribayashi, however, does not favour the rigid traditional approach recommended by his subordinates, and resentment and resistance fester amongst his staff. In the lower echelons, a young soldier, Saigo (Kazunari Ninomiya), a poor baker in civilian life, strives with his friends to survive the harsh regime of the Japanese Army itself, all the while knowing that a fierce battle looms. When the American invasion begins, Kuribayashi and Saigo find strength, honour, courage, and horrors beyond imagination. - Jim Beaver.... IMDb
