Storyline

Not much write-up considering this was a good film.... Record-company owner Marty Starr (Rik Mayall) concludes that Marla Dorland, aka Mavis Davis (Jane Horrocks) is a fading star. Meanwhile, he has to meet alimony payments to his ex (Jaclyn Mendoza), while he's forced to promote the untalented son of a mobster, Rathbone (Danny Aiello). To get out from under, Marty decides that the death of Marla/Mavis could jolt record sales by turning her into a legend. He hires hitman Clint (Marc Warren), but eliminating Mavis turns out to be more difficult than they thought.
