

AIRLOCK MODULE

- | | |
|--|---|
| 1 Flight spare stowage container (removable) | 38 Window |
| 2 Spare condensate module | 39 Vent valve |
| 3 Beta bag | 40 Window cranking handle |
| 4 Molecular sieve cover (air filter) | 41 MDA ventilation ducts |
| 5 Condensing heat-exchanger control panel | 42 Utility outlet |
| 6 Cabin heat exchanger | 43 Time reference display |
| 7 ATM tank | 44 Lighting control panel |
| 8 Permanent stowage container | 45 Electrical power control caution and warning panel |
| 9 Oxygen and nitrogen control panel | 46 Electrical power supply control panel |
| 10 Speaker intercom (stowed) | 47 Instrument and communication control panel |
| 11 Condensate module | 48 Proton spectrometer experiment |
| 12 Water tank | 49 Teleprinter |
| 13 Panel operating station | 50 Environmental control system panel |
| 14 Fire sensor control panel | 51 Power conditioning control panel |
| 15 Stowage container | 52 Circuit breaker panels |
| 16 Digital display and liquid gas separator unit | 53 Molecular sieve control panel |
| 17 Tape-recorder module | 54 Molecular sieve cover |
| 18 ATM film tree support | 55 Condensing heat-exchanger air-flow valve and control panel |
| 19 Cabin pressure relief valve | 56 Teleprinter paper stowage container |
| 20 TV input station | 57 Molecular sieve vent |
| 21 EVA hatch | 58 Molecular sieve supply valve |
| 22 Handle | 59 Internal hatch |
| 23 Handle locking mechanism | 60 Pressure-equalisation valve |
| 24 Window | 61 Window shield |
| 25 Vent valve | 62 Klaxon |
| 26 Velcro attachment points | 63 ATM film tree support |
| 27 Life-support umbilical stowage | 64 Environmental control duct |
| 28 EVA panel No 1 | 65 Tape recorders (launch stowage) |
| 29 EVA panel No 2 | 66 Stowage provision for astronaut manoeuvring equipment tank |
| 30 Centre instrument panel | 67 Tunnel floodlights |
| 31 Aft instrument panel | 68 Environmental system duct to MDA |
| 32 Inlet muffler for OWS heat-exchanger unit | 69 Partial-pressure CO ₂ sensor |
| 33 Cross-over duct to OWS | 70 Hand rails |
| 34 Environmental control duct | 71 Flexible connection to workshop dome |
| 35 Duct return and supply caps | 72 Hatch seal bulkhead ring |
| 36 Fire extinguisher ports | |
| 37 Combined incandescent lights and handrail | |
